

Your Rock and Rut Mountain Bike Club has a new, more secure member/day rider portal!

Existing Members please follow step 1 & 2 - New Members / day Riders go straight to step 3

1. During the process of uploading the portal onto our website we had to reset all passwords (your personal Data is still safe!!). To enter your personal member/rider dashboard please click this button in the right top corner to create your own password (if you haven't done so yet)

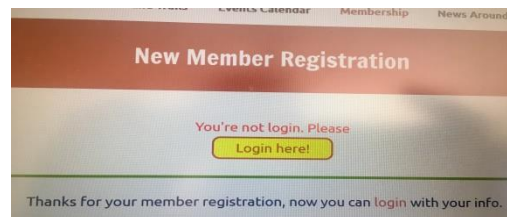

2. The system will ask you for your username (= email)

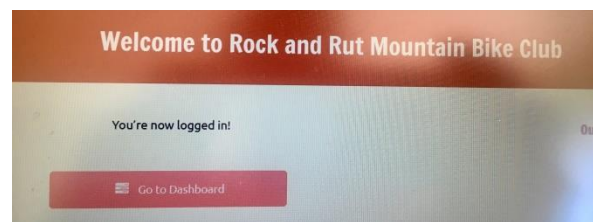

3. As an existing member please proceed to "Member login"

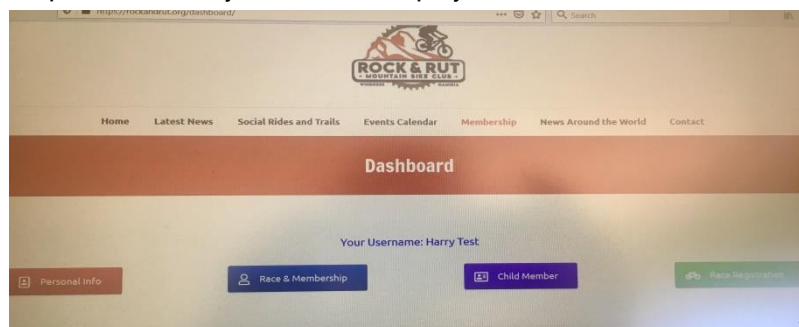

New members / day riders: please click on "new member" and follow the registration process. You will receive the following message when done:

4. Click to "Dashboard"

5. You now have access to your personal Info - your membership - you can enter to our Cross Country Events and even add your child/partner to your membership (family members only)

6. In a nutshell - see all events you have entered and your personal / families membership

The screenshot shows a web application interface with a navigation bar at the top containing links for Home, Latest News, Social Rides and Trails, Events Calendar, Membership, News Around the World, and Contact. A 'Register Race' button is visible below the navigation bar.

The main content area is divided into two sections:

- Registered Race Under Your Account:** This section includes a 'Show 10 entries' dropdown and a search field. Below it is a table with columns: Race, Updated, PrivateID, Last Name, First Name, ID/Passport, Email, Main Member, Membership, Category, Member Type, and Payment. The table contains the text 'No matching records found'.
- Your Membership:** This section also includes a 'Show 10 entries' dropdown and a search field. Below it is a table with columns: Membership, Private ID, Full Name, Member Type, Main Member, Payment Type, Payment Via, Payment Date, and Membership Code. The table contains one row of data: Renew Membership, 608, Harry Test, Rider - NS510, New Member, EFT, and 1G7446.
